SWIMSUIT EXTRAVAGANZA

Taking a hilltop dive must be a pleasant respite from those mercenary maneuvers Silver Sable usually finds herself jumping into.

AH!

Despite her diminutive size, Janet Van Dyne, the winsome Wasp, is easily perceived by one such as I, with my finely tuned cosmic senses. And, in studying her, I find it no wonder men are compelled to make their own observations up close.

"All good things must end - but what an end! This gal's VAL COOPER, gov't liaison for X-FACTOR. Yikes! If that's what the bureaucrats of the world look like these days, then it's high time I signed up - she can push my pencil any time!"
